FOR IMMEDIATE RELEASE

USADB International Program

Vancouver, WA – February 2, 2018 --

The USADB Executive Board decided to make some changes in the USADB International program.

USADB would like to recognize and appreciate the many years Mr. David Hamilton has contributed to the USADB International program since 2007 as the International Director.

The USADB Executive Board is taking the opportunity to re-evaluate the International Program in the next few months. Commissioner Christina Costello will oversee the USADB International Program and work with USADSF on matters related to the International Program. Please contact Commissioner Costello at commissioner@usadb.us for matters related to the USADB International Program.

The American Athletic Association of the Deaf (AAAD) was established in 1945 in Akron, OH to promote basketball opportunities for deaf athletes. In 1995, restructure of the AAAD led to the formation of USA Deaf Sports Federation (USADSF) with USA Deaf Basketball (USADB) becoming the new national basketball governing body. USADB sponsors and promotes regional and national basketball tournaments for deaf adults each year, the East-West high School All-Stars; and youth and adult teams to the World Championships, PanAm Games and Deaflympics.
