*Indianapolis, IN – September 2, 2021 --*

The current board and staff of USADB are happy to welcome Ronnie Zuchegno, Jr. as the national tournament director.

USADB is working hard to extend its reach and include engaging new Deaf community leaders to promote and support positive events and changes for the Deaf community within USADB.

Ronnie Zuchegno, Jr. is Deaf and has years of experience being involved in various Deaf sport organizations, including bowling, golfing, flag football, softball, and of course, basketball. He is in strong support to see good things coming to USADB in the future as he is committed to serving USADB's vision for the Deaf community.

The primary duty of the National Tournament Director is to oversee that the USADB tournaments are ran smoothly and successfully.

USADB looks forward to working with you and pending the pandemic, be able to host a successful tournament in 2022!

The American Athletic Association of the Deaf (AAAD) was established in 1945 in Akron, OH to promote basketball opportunities for deaf athletes. In 1995, restructure of the AAAD led to the formation of USA Deaf Sports Federation (USADSF) with USA Deaf Basketball (USADB) becoming the new national basketball governing body. USADB sponsors and promotes regional and national basketball tournaments for deaf adults each year, the East-West high School All-Stars; and youth and adult teams to the World Championships, PanAm Games and Deaflympics.
