The American Athletic Association of the Deaf (AAAD) was established in 1945 in Akron, OH to promote basketball opportunities for deaf athletes. In 1995, restructure of the AAAD led to the formation of USA Deaf Sports Federation (USADSF) with USA Deaf Basketball (USADB) becoming the new national basketball governing body. USADB sponsors and promotes regional and national basketball tournaments for deaf adults each year, the East-West high School All-Stars; and youth and adult teams to the World Championships, PanAm Games and Deaflympics.
